

5th Maidanak Users Meeting (MUM)

16-19 April 2018, Xinglong Observatory, China

Contact E-Mail of the LOC: xinglong@nao.cas.cn

We are pleased to announce the organization of the 5th Maidanak Users Meeting (MUM) by the Ulugh Beg Astronomical Institute (UBAI) and the National Astronomical Observatories, Chinese Academy of Sciences (NAOC).

First Announcement

Meeting information: The 5th MUM aims to provide an opportunity for all the Maidanak Astronomical Observatory (MAO) users for the interchange of ideas and information. During the meeting, we will review the developments that the MAO has made in the recent years and report its current state; the progresses and achievements of collaboration projects will be presented; and we will also make plans for future operations and projects.

Location: Xinglong Observatory of the National Astronomical Observatories, Chinese Academy of Sciences (NAOC) , China.

(Participants will first meet at the NAOC headquarters in Beijing, and then go to the Xinglong Observatory together by a shuttle bus.)

Participation: The 5th MUM opens to all MAO users. The LOC may provide some financial support, including international flights and local expenses in Beijing.

Registration: Register through the website of the 5th MUM (to be online), and the deadline is March 1st, 2018.

Accommodation: The accommodation at Xinglong Observatory will be arranged by the LOC.

Additional information and details will be given in the Second Announcement.
